

# Website Development Proposal

Prepared for **Al Gharbia Enterprises Trad. & Cont. Co. LLC**

December 3, 2025

## Executive Summary: Domain & Support Commitment

### Domain Retrieval & Revitalization

As per your request, we will facilitate the complete retrieval and configuration of the domain **algharbiaco.com**, which is currently registered to M/s Al Gharbia Enterprises. We will host the modernized website on this domain, featuring a completely redesigned User Interface (UI/UX), new functional modules, and updated corporate branding.

### Our Commitment to Service

We formally express our desire to establish a long-term partnership with your group. To ensure absolute reliability, our company commits to providing **24/7 technical assistance**. We are willing to provide **100% support** from our end without delay for any maintenance or updates required by the company.

## 1 Project Overview

**Al Gharbia Enterprises** requires a modern corporate website that reflects the company's legacy, capabilities, ISO-certified quality standards, and large-scale operations across construction and engineering. This proposal outlines a **mid-level, frontend-focused website** designed to professionally showcase the Group's divisions, services, plants, and major projects.

## 2 Project Scope & Deliverables

### 2.1 A. Website Sections

The website will include clear, structured pages covering:

#### Corporate Identity

- Home, About Us, Vision, Mission & Values
- Leadership Message, Quality, HSE & Certifications
- Contact Page

#### Business Divisions & Services

- Construction & Engineering

- Manufacturing & Production Units
- Road & Infrastructure Services
- Interior & Fabrication Services
- Machinery, Plants & Resources

### Project Portfolio

- **Completed & Ongoing Projects:** Static high-quality galleries.

## 2.2 B. Additional Features

- **Downloads:** PDF downloads for Company Profile and ISO Certificates.
- **Design:** Responsive modern layout with smooth animations.
- **SEO & Forms:** Basic on-page SEO and Email integration.

## 3 Technology Stack

Layer	Technology
Frontend	HTML5, CSS3, Tailwind/Bootstrap, JavaScript
Backend (Forms)	PHP
Email Service	PHPMailer / SMTP
Hosting	Provided by Developer for 2 Years

## 4 Timeline

**Total Estimated Duration: 5-7 Days**

*(Max: 10 Days)*

Phase	Duration	Activities
Phase 1	1-2 Days	Structure Planning, UI/UX Layout
Phase 2	3-4 Days	Frontend Development & Coding
Phase 3	1-2 Days	Integrations (Forms) & SEO Setup
Phase 4	1 Day	Final QA Testing & Deployment

## 5 Cost Breakdown

### 5.1 A. Website Development Tools

*Covers all necessary tools, libraries, premium assets, licenses, and software required for the development environment.*

- **INR:** ₹20,000 / **OMR:** 85.50

### 5.2 B. Hosting Cost (2 Years)

*Includes high-performance, secure server hosting, SSL certification, and domain management for a duration of 2 years.*

- **INR:** ₹10,000 / **OMR:** 42.75

### 5.3 C. Development Fee

*Professional fee for UI/UX design, responsive coding, testing, and deployment.*

- **INR:** ₹15,000 / **OMR:** 64.15

### 5.4 D. Total Project Cost

Currency	Total Cost
INR	₹45,000
OMR	192.40

## 6 Payment Terms

Stage	Percentage	Amount (INR)
Advance Payment	60%	₹27,000
Final Payment	40%	₹18,000

## 7 Support & Assurances

### 7.1 Quality Assurance & Stability Guarantee

**Uncompromising Quality:** We guarantee a professional, high-performance website that is robust and error-free. Our development process includes rigorous cross-browser testing to ensure the site **will not break** and will function perfectly across all platforms.

### 7.2 Support & Maintenance

- **24/7 Support:** As stated in the executive summary, we provide round-the-clock assistance.
- **Free Maintenance:** 30 days post-launch support for content/bug fixes.
- **Reliability:** We ensure 99.9% uptime during the hosting period.

## 8 Acceptance

By approving this proposal, both parties agree to the scope, timeline, and payment terms listed above.
